

# Christmas Memories

A NeedleKnowledge® Quilt Pattern

## Before Beginning...

- ◆ Carefully read the instructions before starting the project
- ◆ Pre-wash and press all fabrics before cutting. Replace any fabrics that continue to bleed after washing
- ◆ All seam allowances are 1/4 inch and are included in the given measurements
- ◆ Press seams as you work, and always press towards the darker fabrics whenever possible. Small pieces can be finger-pressed to save trips to the ironing board
- ◆ Be sure to follow the printing instructions on the last page

Every effort has been made to ensure the accuracy of this pattern. We cannot, however, be responsible for human error, typographical mistakes, improper printer settings and variations, or variations in an individual's work.

right side

Stitch one red and one white D strip together. Alternate two deep blue A pieces with 3 pale peach C pieces. Stitch one pale peach E piece to each side of one red A piece. Stitch these three units together to form Santa's head (Fig. 16)

Stitch one red B triangle to each lower corner of the white F piece. transfer markings to F piece (Fig. 17) to make the beard section. Stitch one red O piece to each side of the white N piece to make the belly section (Fig. 18).

Stitch the head section, beard section and belly section together to form Santa's body. Stitch the left and right arm section to Santa's body.

To make the leg sections, stitch the L, K, A and J units together - one facing left and one facing right (Fig. 19).
